Girls Day Out Weekend In Kind Donation Request Form

Every July we bless over a dozen "high risk" girls from ages 5 to 12 with a weekend of fun. The 'Girls Day Out Weekend' includes an educational session called "girl talk" where a youth counselor talks to the girls about hygiene, peer pressure and other issues facing this age group. The girls will enjoy a fun-filled weekend of other activities including trips to the zoo, museum, shopping, swimming and games.

We want each girl to feel like a princess.

Please help us shower 25 "high-risk" girls (age 5-12) with love by making an in-kind donation:
